**Dear Sir or Madam,
dear sport colleagues and Masters weightlifters,
dear officials, friends and fans in all European countries!**

Masters Austria, the Vienna Weightlifting Federation and all clubs of Vienna are pleased to invite you to the 3rd European Masters Cup, first time in Vienna.

We want to make the already rather strong European Masters hum by organising a novel Masters competition.

Be cordially welcome to take part in a high level International Masters competition, to succeed in lifting the limit for European or World Masters Championships, to establish a national record and to meet or find friends in a homelike atmosphere in the incomparable cosmopolitan city of Vienna – especially if you are a Masters newcomer.

We are looking forward meeting you again or becoming acquainted with you in Vienna!

Kind and athletic regards,
